**Please join us at the NEAA
2009 Winter Seminar & Outing
Tuesday, January 27 through Thursday, January 29, 2009
Grand Summit Resort, Mt Snow, VT**

To stay on top, one has to stay in the know. That is why we started the NEAA twenty four years ago and why it is still successful today. We, on the board, continually strive to find interesting and educational speakers and vendors who will help you learn and understand more, to help you stay on top of your game.

We again return to the Grand Summit Resort with its wonderful conference facilities. Seventy five vendors will be showcasing their products in table top setups to help you learn to do your business better whether you are a Bank acquirer, ISO owner, sales agent or technical or customer support representative. They have information for each of you. And please be sure to invite your associates to attend. We can only remain strong through growth and new ideas and attendees.

Our event begins Tuesday evening, January 27th at our Opening Cocktail Reception at 5PM. You will be able to visit with old acquaintances and network with the many Vendors who help sponsor your meeting. Afterwards, you will have the opportunity to join in on the very popular United Bank Card sponsored "Charity Texas Hold 'Em Tournament" which has raised over \$xxx for various charities throughout the years thanks to your participation.

Wednesday, January 28 will be devoted to seminars and vendor exhibits. There will be an Exhibitors Closing Reception followed by our gala event at the Snow Barn with plenty of festivities for all. This

year's event is sponsored by . Thursday, the 29th will be "networking fun day" skiing and snowmobiling.

Take advantage of our free early registration policy before Jan 19th Book your room at the hotel as they fill up fast. See details below.

We truly look forward to seeing you again.

Sincerely,

The Northeast Acquirers Association Officers & Board of Directors

Alan Forgione, President

Nancy Austin, Vice President

Jacques Breton, Treasurer/Clerk

Chris Butts
